Books In Motion, one of the pioneers of the unabridged audiobook industry, is pleased to offer a super discount program for the partners of this fine organization. Here's what we can do for you:

20% off our already low retail prices. Our highest price is \$34.95. The discount applies to any order as long as the order is \$12.00 or more. You can order directly from our website using the codeword, "**LIBRARY20**". And the order box will accept your purchase order number. This offer is permanent until January 1, 2015

You can purchase cd bargains for \$7.50 or Valu-Pak cds for \$12.95 to \$18.95 depending on the number of cds. Both of these great deals are without packaging, in sleeves only.

Any retail purchase for libraries EXCLUDING Valu-Pak or Bargains is automatically packaged in reinforced albums with steel binders.

We use the highest quality Taiyo Yuden cds and we guarantee them for a year, free replacement, After one year they are \$6 each. But if a dog eats your cds you can usually get the whole audiobook for \$12.95 using our Valu-Pak program.

When you work with Books In Motion you will find our service to be exceptional and if you need help call us. Someone always answers the phone to help you, if you call during business hours. And we always answer our emails right away. We are here for you, because, without you we wouldn't be here.

We are sincere,
