Dear Samantha:

Gale, part of [Cengage Group](#), partners with librarians and educators around the world to connect learners to essential content through user-friendly technology that enhances experiences and improves learning outcomes. For more than 65 years, Gale has collaborated with academic institutions, schools, and public libraries around the world to empower the discovery of knowledge and insights that push the boundaries of traditional research and advance learners in all areas of life. We have a long history of providing students, educators, and libraries with authoritative content and honor our role as a trusted publisher and aggregator of information. Our team is proud to help libraries deliver essential content to a diverse community of learners.
