Dear Samantha:

Heart of Texas IT is a managed IT service provider that becomes the IT department for your business. We offer a variety of solutions to fit every business and take a proactive approach to technology, to ensure that your systems and solutions run smoothly, securely and with minimal downtime.

Libraries play an integral role in learning and exploration for our youth and provides a wealth of services for all ages. Today many of these services are online and require a certain amount of technology, security and expertise to be done correctly.

HOT IT is excited for the opportunity to serve our libraries across the great state of Texas! We understand the needs of libraries both internally as a business and as a service to the community and are uniquely positioned to help with knowledge and tools to achieve their goals. We are happy to offer the following discounts to CTLS members:

Premium Services

20% off user endpoints
15% off server endpoints

Remote Services

15% off user endpoints
10% off server endpoints

25% off all onboarding services for new managed clients

20% off all project work

For more information about these and other services we offer or to setup a consultation for your library, please contact us at one of the methods listed below.

Phone: (512) 842-7701

Email: info@heartoftexasit.com

We look forward to working with CTLS and improving library system's IT across the state!

Dedicated to your success,

Casey Massey
