Dear Valued CTLS Members,

My name is Nicole Lesperance and I represent Multicultural Books and Videos. We would like to offer you a very special discount:

20% off of Spanish materials

20% off of all other languages

5% fee for shipping

We offer 25 years of experience in the Foreign Language business and sell Adult, Young Adult and Juvenile books, DVDs and more in numerous languages. Our most popular languages are Chinese, Vietnamese, Korean, Japanese, Bengali, Gujarati, Hindi, Punjabi, Tamil, Urdu, Spanish, Arabic, Persian, Tagalog, Spanish, French, German, Italian, Russian and Polish. We do have access to other languages if requested. We also have a professionally trained cataloging department and can provide full MARC records for all of our titles along with shelf-ready processing that is done in-house. We are a sole source for several publishers from around the world so we are able to provide libraries with items that are not available anywhere else.

Sincerely yours,
