Attn: S. Simpson

Dear Central Texas Library System:

I'm the president of Peek-A-Book LLC. We create dazzling audio-visual previews of children's picture books in the library's collection and display them in eye-catching touchscreen kiosks to inspire children to read the books.

We recently lowered our kiosk pricing by approximately 50% in an effort to help libraries in these challenging budgetary times.

As a commitment to serving your member libraries, Peek-A-Book would like to offer your organization an additional 10% discount off our already reduced pricing.

In business for 10 years, Peek-A-Book has hundreds of satisfied library customers across the country. Our commitment to customer service is unparalleled. As a reference, please contact Tamara Golubski at the Richarson Public Library.

I would be pleased to answer any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Scott Browning', is written in a cursive style.
