CTLS Members:

Princh is the preferred library printing and payment solution across Northern Europe and we are also the fastest growing solution in North America. Our complete library printing and payment solution was made in collaboration with libraries to ensure an optimized, and user-friendly printing experience for all.

Princh offers BYOD Mobile printing, Library computer printing, and Remote printing – all with integrated electronic payment; also look out for our Copy and Scan solution, coming soon!

The annual subscription fee for Princh is tailored to fit libraries of all sizes and includes:

- Installation
- Support
- Integrated Electronic Payment
- Staff Training
- Promotional materials

Take a look at our [pricing page](#) to find pricing for your library.

Discount:

We are pleased to offer CTLS members a 10% discount on their first annual subscription of Princh. Please note, the CTLS member discount cannot be combined with any other discounts or offers.

Purchasing Instructions:

CTLS members can reach out to the US representative for Princh: Leslie Booth leslie@princh.com
To be eligible for the discount, the library must inform Princh of their affiliation with CTLS by email, before being invoiced.

We are excited to welcome CTLS members! Reach out to Leslie@princh.com to start Prinching today!
