Dear Sammie:

For more than 50 years, SAGE has helped inform and educate a global community of researchers by publishing innovative and high-quality research content. Today, we publish over 1,100 journals, more than 900 new books per year, and a growing range of library products on a wide range of subject areas across the social sciences, business, the humanities, and science, technology, and medicine.

Here's what we can do for PLAN member libraries:

- 10% off our already low retail prices on 1 Sage Resource
- 15% off our already low retail prices on any 2 Sage Resources.
- 20% off our already low retail prices on any 3 Sage Resources.
- For 4 or more SAGE Resources, please contact me for more information.
