Dear Samantha:

Since 1998, educators just like you - facing tight budgets and short deadlines - have found School Outfitters to be an invaluable resource for furnishing their schools. With convenient online shopping and expert customer support, School Outfitters makes it easy for you to create productive learning environments for your students. I invite you to shop for your school furniture right here at School Outfitters. I think you'll find that you get more choices, better service and lower prices than anywhere else on the web.

While you will find the most popular school chairs and desks at unbeatable prices, School Outfitters offers more than just classroom furniture. From trophy cases to office furniture to janitor carts, entrance mats and other facility equipment, we aim to be your one-stop shop for all your school furniture and equipment needs.

We've built strong relationships with some of the best-known brands in school furniture to ensure you'll find the products you need at a price you can afford.

We can offer your members a 3% discount off of our already discounted prices on our website: www.schooloutfitters.com. Members must call, email or chat with a dedicated member of our sales team who will be happy to assist them with the purchasing process. Shipping will be added to all orders as a separate line and will vary by item and manufacturer. Inside delivery, lift gate, assembly, installation and removal of debris services are available for an additional charge.

Please do not hesitate to reach out with any questions or concerns regarding this commitment.

Sincerely,

Angela Webb, Director of Sales
