Dear Samantha:

South Texas School Furniture, has been in business since 1985. We are proud to offer American made library furniture built to last for decades.

We offer a complete layout, design, install and waste removal service to our customers. If you need solid oak, all metal or a mixture of both; we can provide. Custom furnishings are no problem.

We are pleased to offer a discount to the member libraries of your fine organization.

Here's what we can do for you:

40% off our retail prices. We prefer to meet our customers face to face to make sure that we are on the same page. Our many years of experience allow us to ask the right questions so when the furniture arrives there are no surprises.

All furniture is delivered on our trucks and assembled by our personnel. You will find that with our discount; we are as competitive as anyone in the industry.

Sincerely,

Alan Jirkovsky, Vice-President
